Korean Honorifics Lesson!

Oppa - A friendly way of addressing an older man near your age if you're a girl
Oppa is also used (though not synonymously) by girls addressing their boyfriends

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy
Nunim - A more respectful way to say nuna

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Ajumma - Older woman typically aged between mid/late 30's ~ early 50s. Calling someone younger than mid 30's this is rather offensive

Ajussi - Older man typically aged between mid/late 30's ~ early 50s. Korean men, especially those in their 30s prefer to be called hyung/oppa by those younger than him rather than Ajusshi

Sunbae - Is used to address senior colleagues or mentor figures e.g. students referring to or addressing more senior students in schools

Hubae - Is used to refer to juniors. However the term is not normally addressed to them directly, and is mainly used in the third person
This is nearly identical in Japanese with Senpai/Kohai honorifics

Naeuri - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng - Commonly translated as "teacher", has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific "sensei" and shares the same pair of Chinese characters representing 'mister' or 'one born earlier' (literal)

It's about time you learn them!

He can take care of his own business.

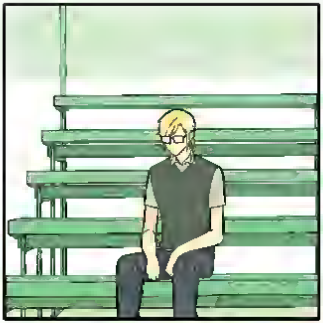

...You're being firm.
Since when was your attitude so no-nonsense?

No matter how hard it is for him,
there's nothing I can do.

I'll be going, then.

There's a saying that it's scary once a girl turns away...

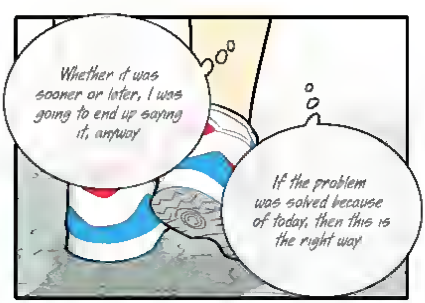

Didn't you just say you really like him?
Why did your atmosphere change so quickly?!
You're the one who said it.
Don't be so understanding toward Darin.
Because to him, that's the worst thing you can do.
Isn't there a saying that says there are things you can only know if you experience them?
Well, it's definitely right.

Wow
That was surprising
She really changed a lot~

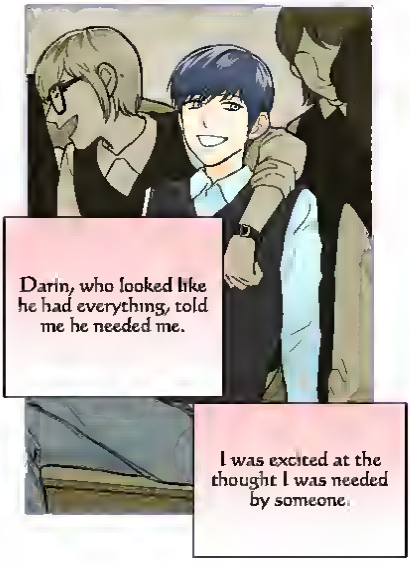

Yeah, it's okay.
With this, it's over

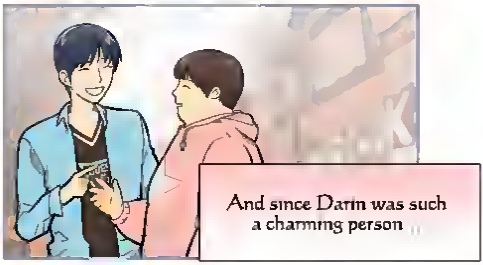

Whether it was sooner or later, I was going to end up saying it, anyway
If the problem was solved because of today, then this is the right way

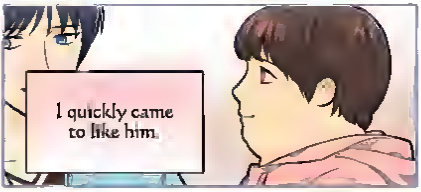

Just like I met Wally,
Darin will meet someone else, too
If you don't look too deeply,
he's good-looking, he talks well, and since he's pretty smart, he can act sane when he needs it
And he was popular from the start…
When someone like that told me they needed me…

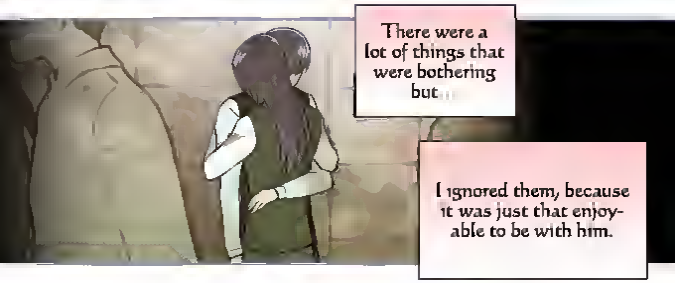

I need you.

I thought I wanted to help him

Darin, who looked like he had everything, told me he needed me.
I was excited at the thought I was needed by someone.

And since Darin was such a charming person...

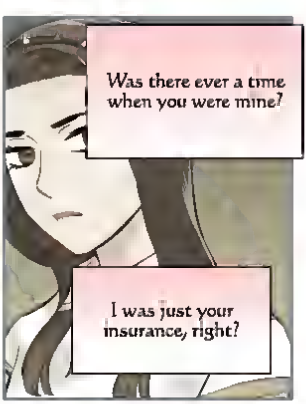

I quickly came to like him.

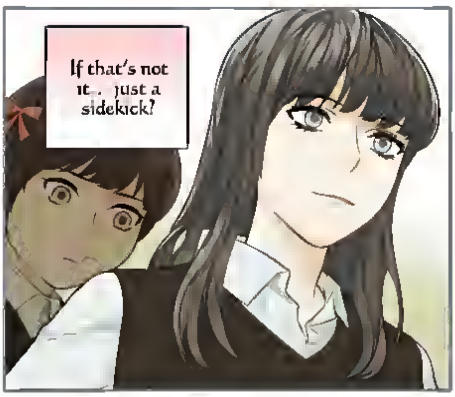

There were a lot of things that were bothering but...
I ignored them, because it was just that enjoyable to be with him.

I really enjoyed it..

You weren't mine from the beginning.

What about you?

Was there ever a time when you were mine?
I was just your insurance, right?

Every day, I wanted to ask you hundreds of times.

What am I to you?

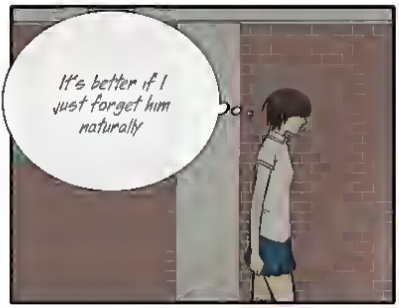

You looked down on me all those times but why now that it comes to this, why?

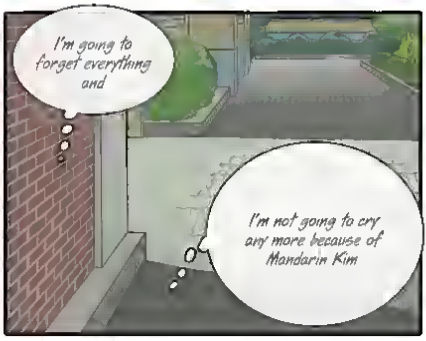

Strawberry

Once time passes, it will become something that wasn't anything.

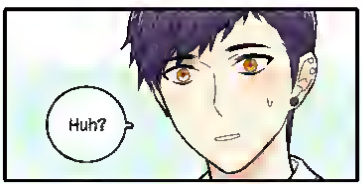

Because I

No, it's not that...

Hmm... It's nothing. Thanks for waiting for me.

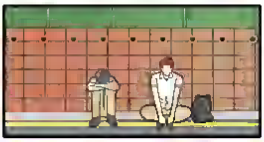

Okay...

But where exactly did Pierre Hyung go?

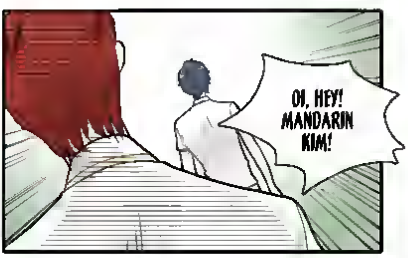

How long are you going to be here?
It's probably been over three hours.

Go the hell away.

Is he waiting for Berry...?

Hey, you wanna look at this? I'll show you something fun...

I'm begging you to ignore me.

Why are you acting close all of a sudden?
Anyone would have done this if you had that kind of face on.

IT'S NOT YOUR BUSINESS WHAT MY FACE IS.
Well then, you shouldn't make it so obvious.

if you want to be ignored,
don't cry like that in front of other people.

Cherry Boy, That Girl

Chapter 51

A week has passed.
Mandarin Kim no longer waits for me and hasn't contacted me in any way

It's almost lame how neatly it ended

Berry!
Ah,
hi, Wally!

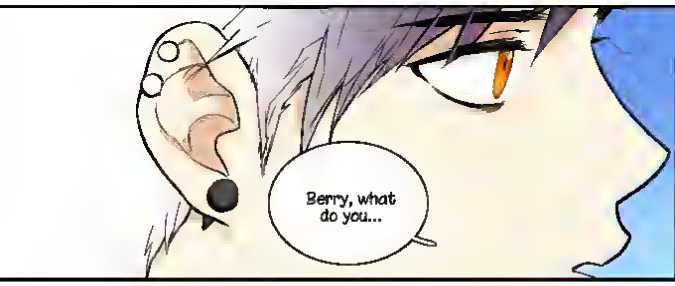

That's not a motorbike? Why just a bicycle?
Pear Hyung bought it some time ago, but apparently he got tired of it.
Want to ride?
Yeah.

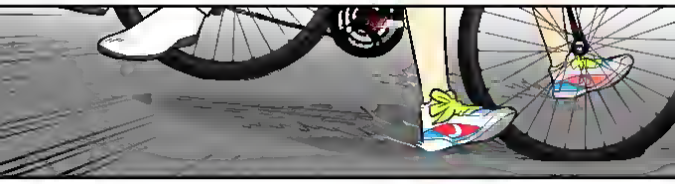

This wasn't the image
I was thinking about...

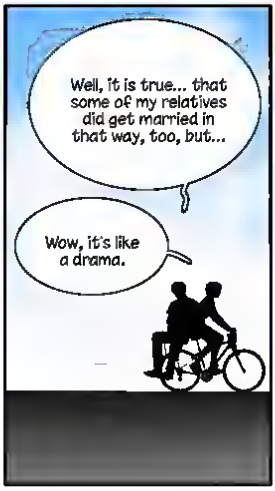

Berry, what do you...

think about making marriage proposals and things like that?

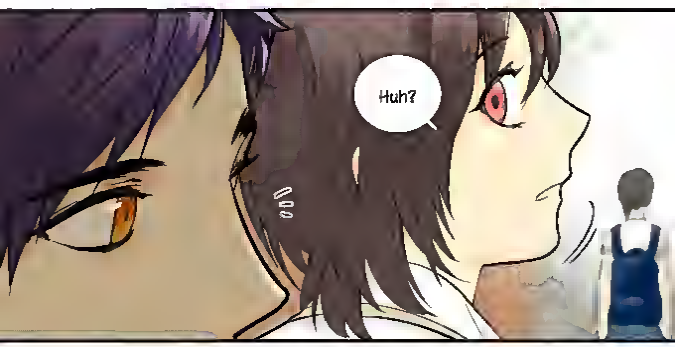

D...DON'T TELL ME YOU'RE GOING TO DO THE ARRANGED MARRIAGE THAT RICH PEOPLE ENJOY...
IS IT TIME?!
I'M NOT!

Well, it is true... that some of my relatives did get married in that way, too, but...
Wow, it's like a drama.

The conversation got off track, but... the point is, I'm not doing anything like that.
Really?
That's a relief

Anyway...
you don't have any instances like that, either, right?

Huh?

AH, BERRY, THERE'S A PERSON IN FRONT OF YOU!
Why would you turn around while you are riding!!
OH!
BRAKE, BRAKE!

SCREECH!

It pisses me off...

Today, I happened to see a ridiculous and absurd thing.

You already know there was a rumor that Strawberry Shin was hitting on him.
That Walnut Kang is now dating Strawberry Shin.

Really?

Aren't you being too nonchalant?
Did you already forget what Strawberry Shin did behind your backs?
No, we do remember that...

But isn't it weird getting mad about whom she's dating and things like that?
She has nothing to do with us anymore.
She's still getting plenty of hate for that, too.
We don't have that much time to spare.
Aren't you worried about the next mock exams?

IT'S NOT ENOUGH WITH THAT!
AFTER LOOKING DOWN ON OTHERS AND ACTING ALL ARROGANT, SHE'S JUST NOW GETTING THE TREATMENT SHE DESERVES!
IT'S NOT FAIR IF SHE'S HAPPY RIGHT NOW.
IT MAKES ME MAD WHEN I SEE HER WALKING AROUND, SMILING!

Glance
Glance

Exactly how are you trying to vent your emotions?
!

In the past, we thought what you were saying was right but,
We don't really like Strawberry Shin, either, but...
recently, it just feels like you're trying to control us to get rid of what you don't like.
it seems like she's been going around and apologizing, so we don't want to do anything more than this.

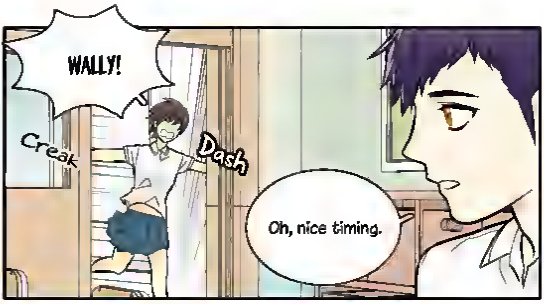

Don't call us out for things like this in the future.
If you want to do something, do it yourself.

We're not interested anymore.

You don't want to go?

So you're still not get along with your classmates?

No.

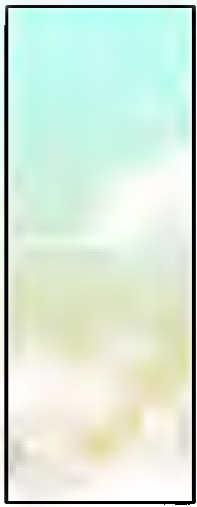

Just... aren't field trips a bother? They're tiring, too...

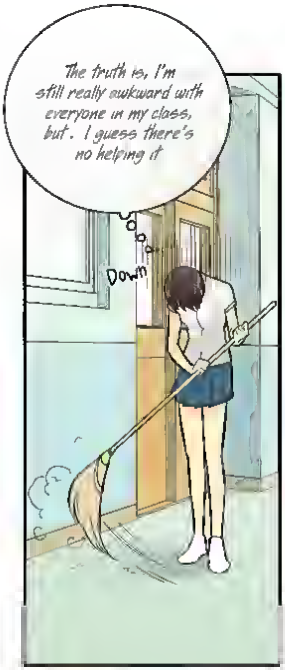

Okay...

Sorry, I only said what I wanted to say.
What was it you wanted to tell me?
Oh...

It's nothing,
I'll tell you when I've got it together.

I'll ask my mother about the field trip.
Okay, thanks.

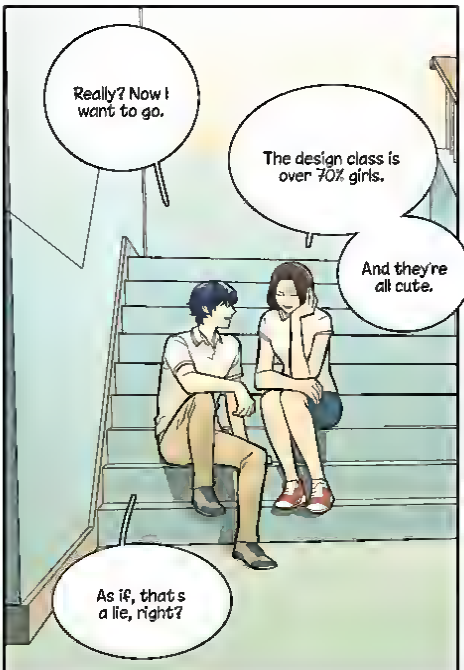

The truth is, I'm still really awkward with everyone in my class, but. I guess there's no helping it

I've been whining to Wally too much, any more is..
Sigh..

*In Korea, it is very common that kids go to extra classes after school similar to tutoring, but to be ahead of the class.

Everyone, sit in your assigned seats.

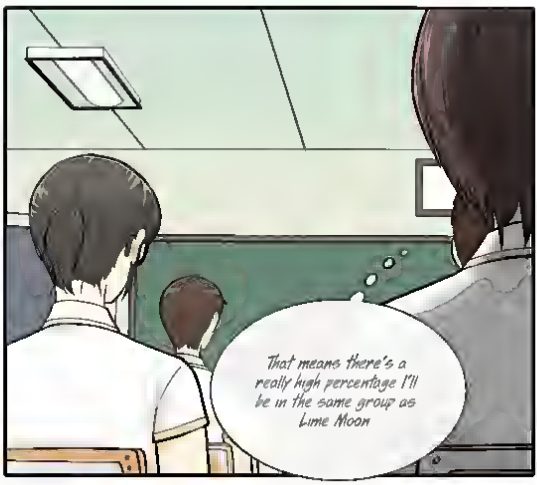

Starting next week we'll be going on a 4-day field trip to Mount Sul-Ak.
Everyone must turn in their signed permission slip by Friday.
Yes~

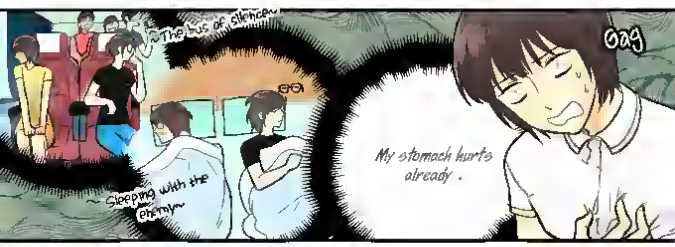

We're really going...
Sigh~
We're going to be moving in groups, so get your contacts ready after morning announcements are over.
The groups will be chosen in fives by the numbers on the attendance sheet so go check.
Teacher!

Do we include girls and boys in the same group?
No, exclude the girls.
Since there aren't many girls, we're making groups combining all the freshmen and not by class.

Class Pres and Strowberry Shin, go to the art room and check groups after this is over.

Hey... Is there something going on?
Open up!
What do you mean, something going on~?!
Sage, go to the hall first. I'll go with her after she's done washing.

SFX: Slam x5

I thought you didn't get along with Lime, but...
Bam
Bam

It's the first time I've seen Lime fight with someone like this.
She was a really quiet person in middle school...
Stop it you bastard!!
Slam
Slam
Slam
You guys went to the same middle school?
Yeah, but we've never been in the same class, though...

Lime's twin was pretty famous.
STOP

Twin?
She had a younger twin named La-Min Moon and she was student council president and...

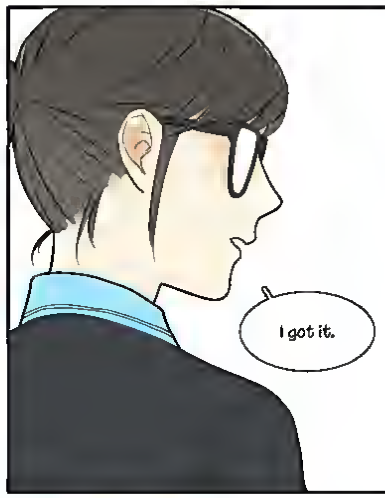

she was really popular.

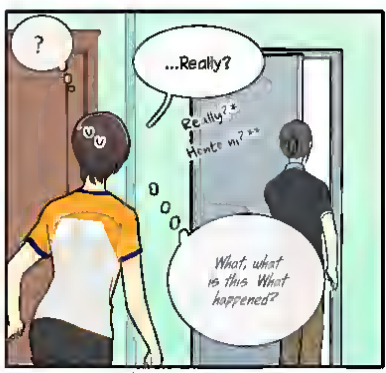

Who's the leader of this group? Come get the handouts.
Yes.
I'll be going, see you later.
Yeah.

Squeak

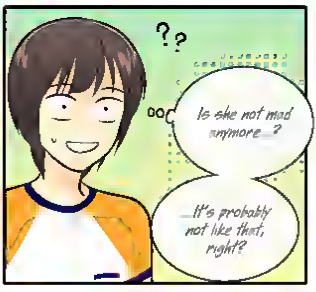

!
Squeaa
Trapping someone and irritating them....

*Spelled out in English
**Spelled out in Japanese, means "really"

??
Is she not mad anymore...?
...It's probably not like that, right?

Even if Sage would find out about it right now, Strawberry Shin wouldn't be in the wrong for not telling her
Let's wait until they get closer so she'll feel betrayed

What's today's schedule? Is there anything fun?
They're all indoor activities. Things like lectures.

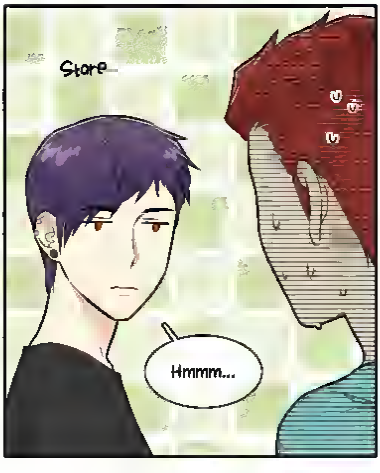

하아암...
Really?

SFX: yawn

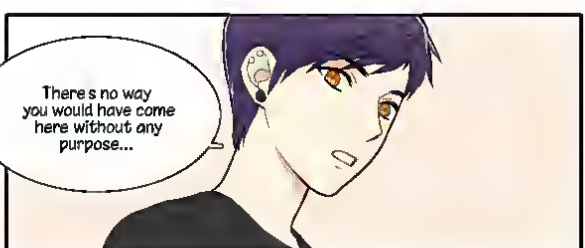

...Are you bored?

What was fun in last year's field trip?
It was boring last year, too.
Field trips are all the same.

Why did you come with us if you think it's boring?
Jump
Th-that's...

Stare...
Hmmm...

Okay, okay.
HEY!
What's with that tone?!

There's no way you would have come here without any purpose...

Korean Honorifics Lesson!

Oppa - A friendly way of addressing an older man near your age if you're a girl
Oppa is also used (though not synonymously) by girls addressing their boyfriends

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy
Nunim - A more respectful way to say nuna

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Ajumma - Older woman typically aged between mid/late 30's ~ early 50s. Calling someone younger than mid 30's this is rather offensive

Ajussi - Older man typically aged between mid/late 30's ~ early 50s. Korean men, especially those in their 30s prefer to be called hyung/oppa by those younger than him rather than Ajusshi

Sunbae - Is used to address senior colleagues or mentor figures e.g. students referring to or addressing more senior students in schools

Hubae - Is used to refer to juniors. However the term is not normally addressed to them directly, and is mainly used in the third person
This is nearly identical in Japanese with Senpai/Kohai honorifics

Naeuri - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng - Commonly translated as "teacher", has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific "sensei" and shares the same pair of Chinese characters representing 'mister' or 'one born earlier' (literal)

It's about time you learn them!

Today's schedule is over, but don't loosen up just because it's free time.
Sleep by 10, okay?
The field trip will be over by tomorrow...
Yes
I can relax soon.

This is boring.
More than anything, it's a good thing those two didn't get into anything.
Just stay still a little...
There was a swan by the lake?

No way, are you sure you didn't confuse it with a duck?
It's real!

Sage... She looks happy. It hasn't been long since they started to date.
Then do you want to go see it?
Yeah!
Is he being good to her unlike when we dated?

If you think about it calmly, everything about the replacements is just talk and
If the two get along, isn't it fine?
It's weird for me to get in between those two anymore than I already have, anyway...
It's best to just leave them alone

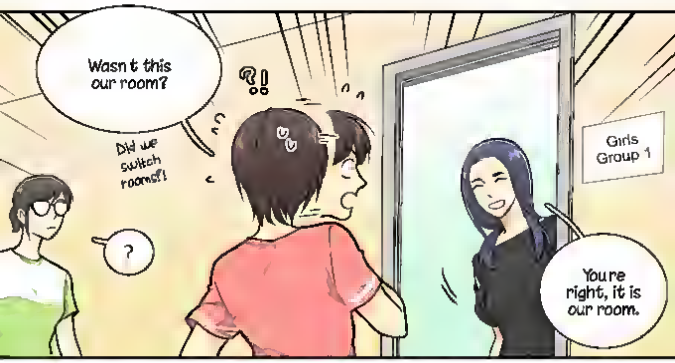

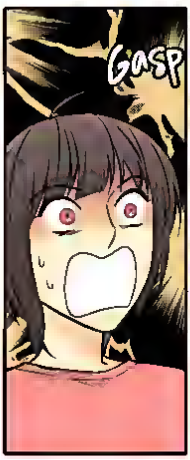

?!

SFX: Gasp

Wasn't this our room?
?!
Did we switch rooms?!

Girls Group 1
You're right, it is our room.

TL/N- The Chinese characters above mean "bear with it" or "endure" There's a Korean saying 忍忍忍 can prevent a murder

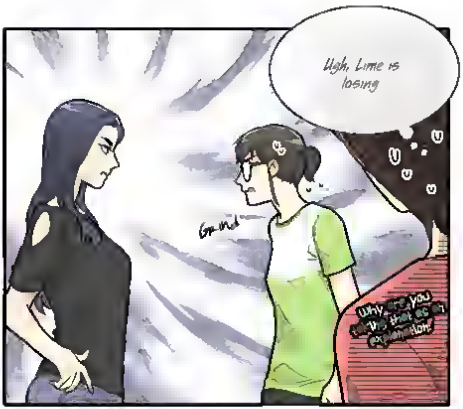

Um, I think you don't know Korea that well because you studied abroad, but you're not allowed to bring guys into girls' dorm.
How is going to a language institute for half a year "studying abroad"?
The teachers don't know so don't worry about it.

HOW DO YOU KNOW THE TEACHERS DON'T KNOW?!
EXACTLY WHAT ARE YOU...
Tap

Move and don t get in my way.

Are you crazy? Are you the only one that uses this room? Don t you care about others?
Were you sleeping during ethics? Do you think proper etiquette for public places is completely unnecessary?
Who are you to ask so many questions?
It s because of your terrible personality that you have no friends.

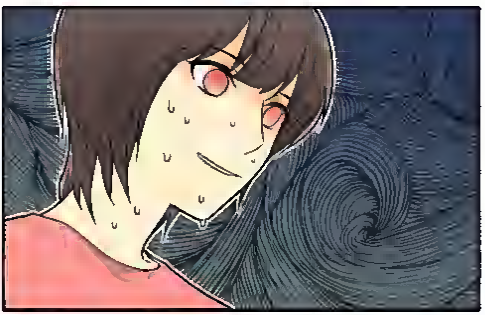

THEN DO YOU BRING YOUR BOYFRIENDS TO THE DORM BECAUSE YOUR FRIENDSHIP IS SO DEEP?
ARE YOU A MINX?
I'M NOT A MINX!
I JUST REALLY LIKE BOYS!

Ugh, Lime is losing
Grr...
Why are you

Let's get the boys out first

I'm sorry, Lime. I'm a sinner in front of these guys, too, so
Eok

Let's be calm.
I'm too worked up.

I'll drunk a cup of cold water and retaliate with logic.
Oh!

Hey, tha-gh...

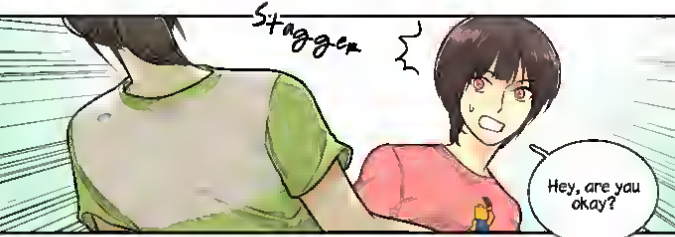

SFX: BURST

YOU WERE DRINKING ALCOHOL, TOO?!
What's wrong with that ♡

SFX: Gag...

It's dangerous to be a part of that

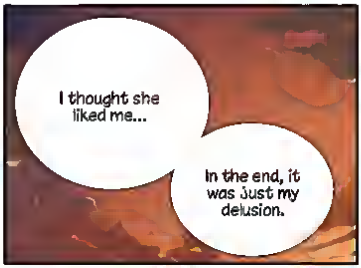

Drink!

Let's run away!
Pour!
Yeah

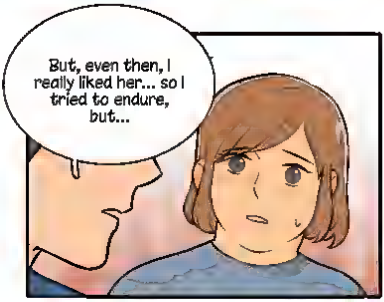

Your ex was from this school, right?

Why did you break up?

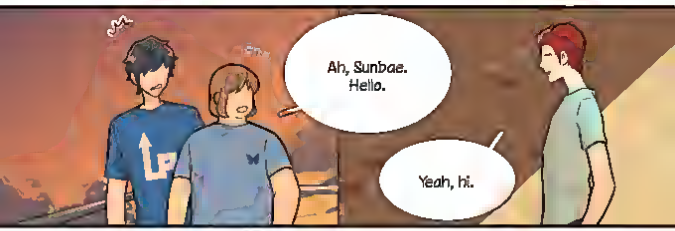

The most direct reason would be cheating.
After coming to this school and getting popular, she just wouldn't meet me.
What? That's terrible.
How did you get to date someone like that?

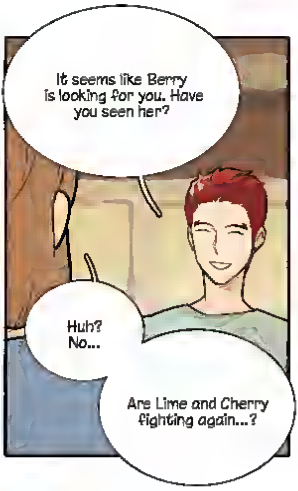

I thought she liked me...
In the end, it was just my delusion.

But, even then, I really liked her... so I tried to endure, but...

Ah, sorry. This kind of talk isn't fun, right...?
It's fine...
Sage.

Ah, Sunbae. Hello.
Yeah, hi.

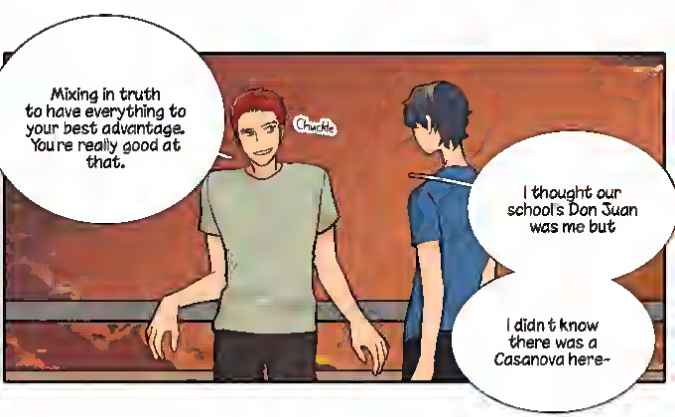

It seems like Berry is looking for you. Have you seen her?
Huh? No...
Are Lime and Cherry fighting again...?

So, sorry. I'll be going.
Already?
I feel bad for leaving Berry alone.
I'll text you.

It... It was so close to finishing...
Bye~
Take care~

WHAT ARE YOU DOING?!
You're a complete con artist, aren't you?

You shouldn't lie~

Mixing in truth to have everything to your best advantage. You're really good at that.

I thought our school's Don Juan was me but

Didn't you do it because you had something to say to me?

Chapter 57

꽉!!

SFX: Grab!!!

AH, SERIOUSLY, ARE YOU CRAZY?!
WHY ARE YOU PRETENDING TO BE CLOSE TO ME?!

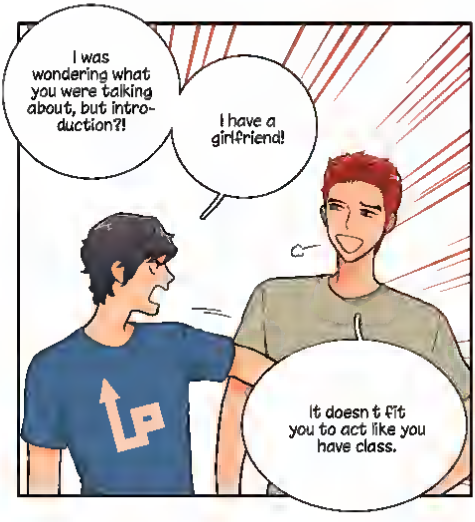

Pick.
Push

What is this?

If you have anyone you like, I can introduce them all to you.
They're all pretty and kind. You've won the lottery.
You like girls that are small, too, right? There are plenty of choices.
Spread

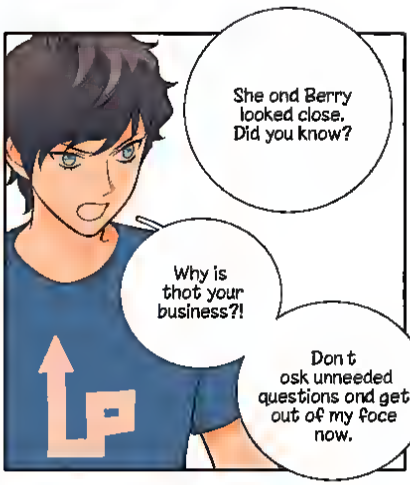

I DON'T NEED IT!

SFX: PuSh

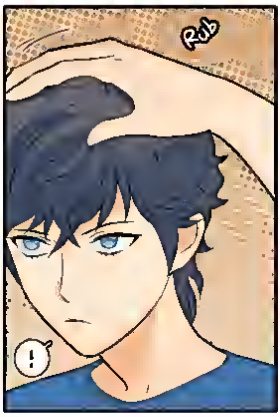

I was wondering what you were talking about, but intro-duction?!
I have a girlfriend!
It doesn t fit you to act like you have class.

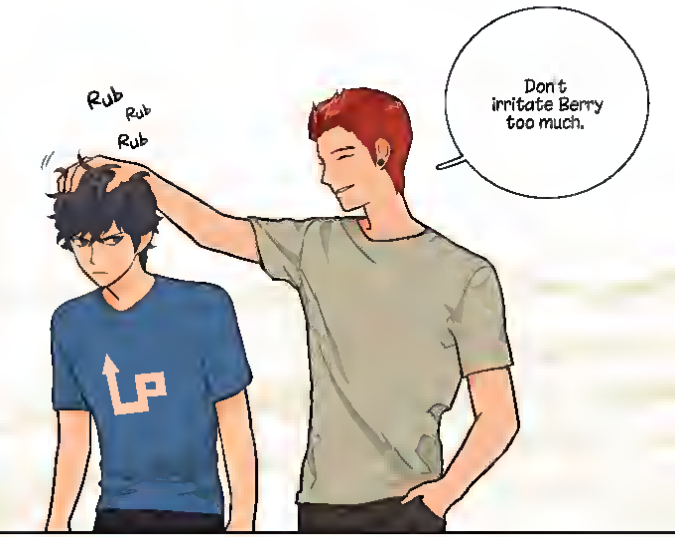

Or do you like hunting for girls better than introductions?
What?
If you and I Join forces, we can even make a harem.
I told you, I have a girlfriend!

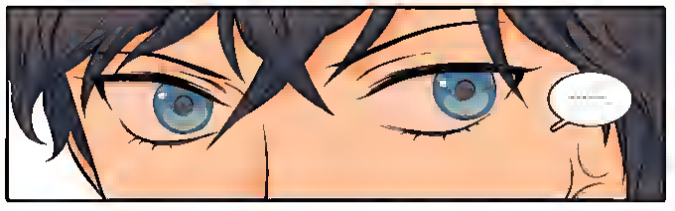

Do you like... Sage?
We're going out.

She and Berry looked close. Did you know?
Why is that your business?!
Don't ask unneeded questions and get out of my face now.

The world is big and there are plenty of fish in the sea but it has to be your ex's friend?
I'm going.

Rub
!

Rub

Rub
Don't irritate Berry too much.

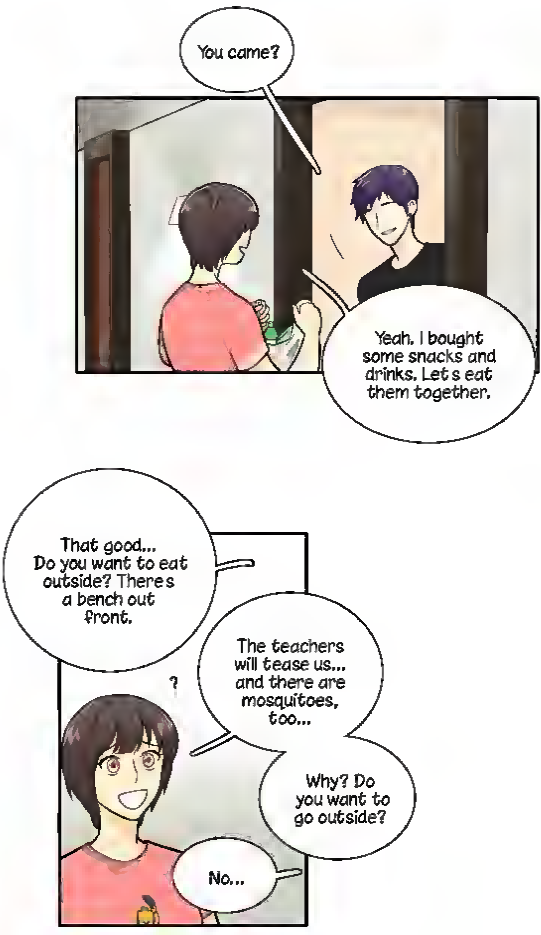

Is this because you might have something left for Strawberry Shin?
There's no way that would happen.

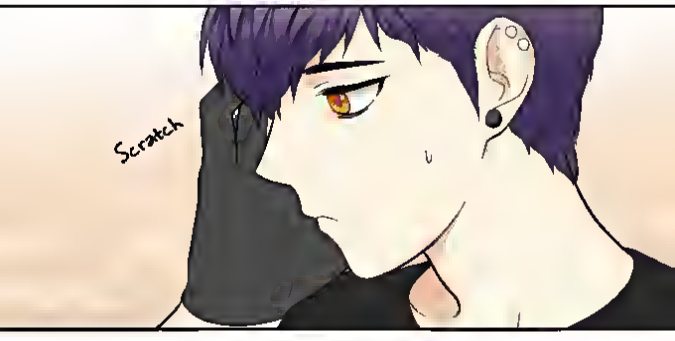

She's my precious younger brother's girlfriend.

I'm not going out with Sage because of Strawberry Shin.
It's nice to hear that. Contact me if you change your mind.

You have my number, right?
I'm going.

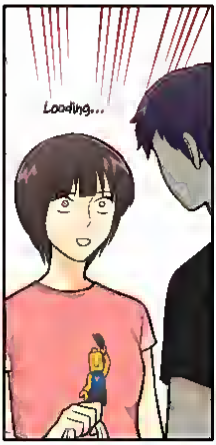

You came?
Yeah. I bought some snacks and drinks. Let's eat them together.
That good... Do you want to eat outside? There's a bench out front.
?
The teachers will tease us... and there are mosquitoes, too...
Why? Do you want to go outside?
No...

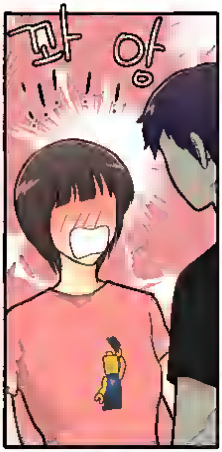

That's not it... Hyung isn't in the room right now.
?
What about that?

Scratch

You and I will be in the room alone...

SFX: Crash

SFX: SURPRISED

Uuuuuhh, what do we do?
Should we go outside, or not?

Don't worry. I promise I won't do anything.

I said that because you looked so nonchalant but
I'm sorry I said something needless.
N-no
I was being dense.

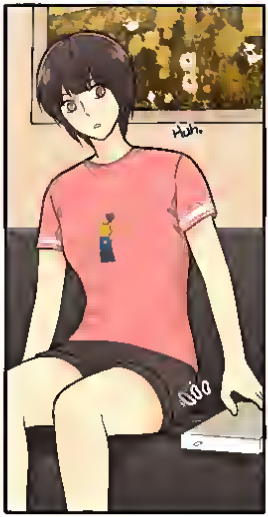

Then... should we go outside?
I'll go get the keys, so wait for me here.
Ah, Wally.

Yeah?

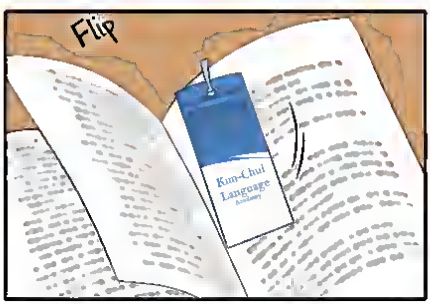

I feel like I was overreacting...
If we go like this, it feels like I'm suspecting you.
HAHA
Let's just go in, it's all right.
Really?

I'll bring some cups and something to put the snacks in.
Okay.

My face is still burning.
I thought Wally would be ignorant of this kind of stuff.
I got a blow when I was least expecting it.

Huh.

Is it a book Wally was reading?
Flip
Does he like books?

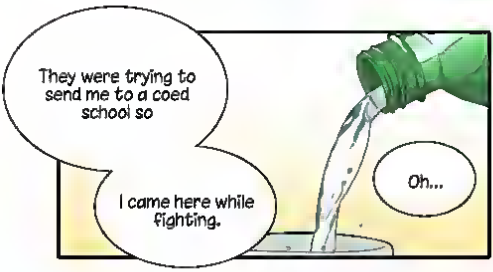

Flip
Kim-Chui Language
Dictionary

Language academy?
If your scores fail
Kim-Chul Language Academy

Berry, open the snacks for me.
Sure.

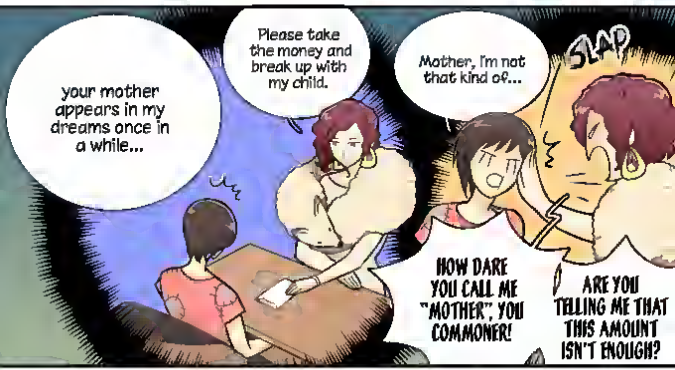

Wally, do you like novels?
Your Heaven
Huh?
Ah, that's something I'm reading because my tutor recommended it.

You get tutored, too?
Well, just Korean, English, Math and things like that...
We're a skills-oriented high school.
Since I'm going to college.

They were trying to send me to a coed school so
I came here while fighting.
Oh...

Even so, I'm glad I came to this school. If I didn't, I wouldn't have met you.

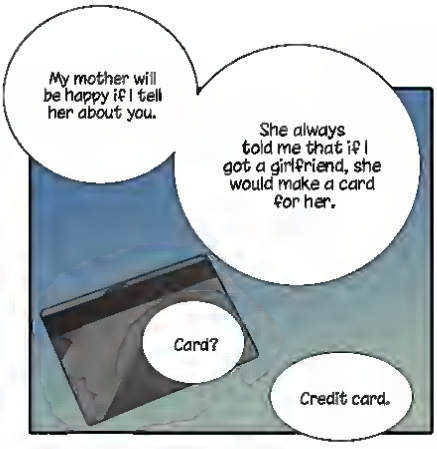

Yeah... Me, too...
If I didn't come here, how would I dare meet a young master of a rich household...?
Y-you don't have to say it like that...
But...

your mother appears in my dreams once in a while...
Please take the money and break up with my child.
Mother, I'm not that kind of...
SLAP
HOW DARE YOU CALL ME "MOTHER", YOU COMMONER!
ARE YOU TELLING ME THAT THIS AMOUNT ISN'T ENOUGH?

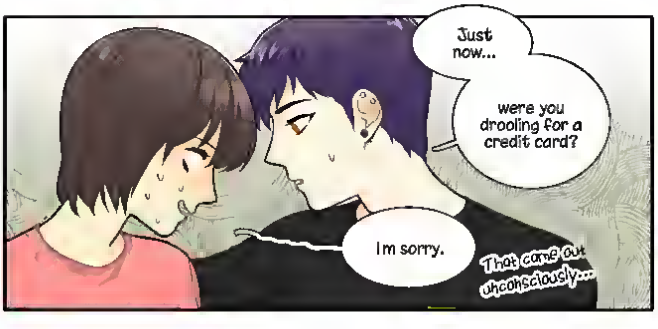

It's not just that, but my family goes through trouble, too...
And then I wake up from my dream...
I ooooo
I think she has watched too many morning dramas

SFX: Depressed

My mother will be happy if I tell her about you.
She always told me that if I got a girlfriend, she would make a card for her.
Card?
Credit card.

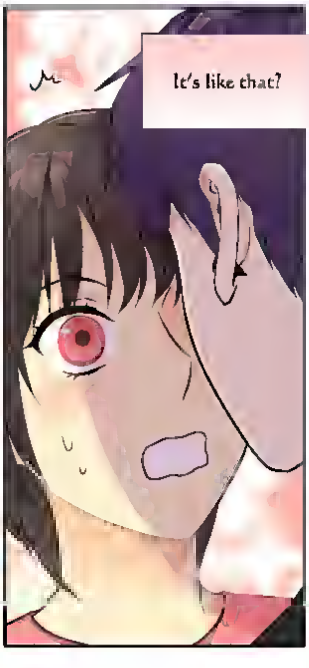

Cr-credit card?
Gulp

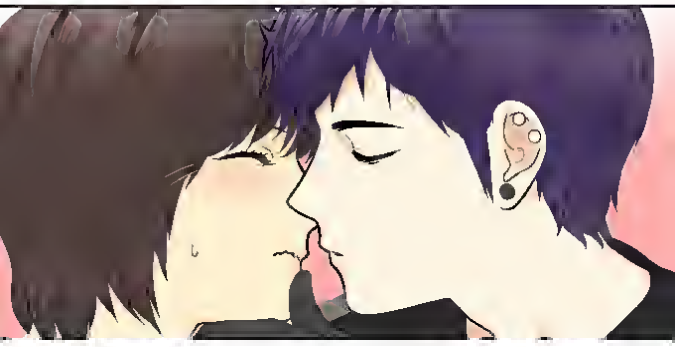

Just now...
were you drooling for a credit card?
I'm sorry.
That came out unconsciously...

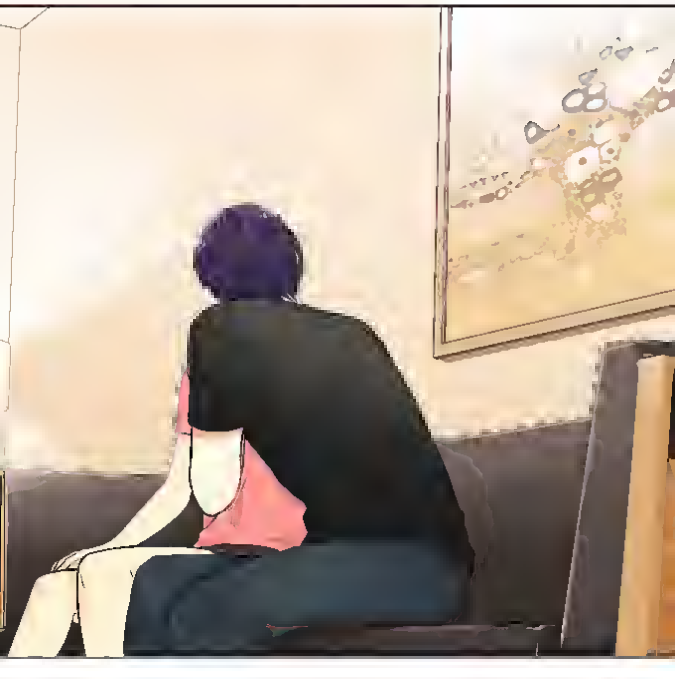

You need to be punished.
Turn
Huh?

What?
D-didn't you say you wouldn't do anything...?
Oh, that?

I wonder, I don't really know.
What is it, you're not interested?

More than that, I just decided to think about it optimistically.
Berry likes me, and since we trust each other, I just don't mind it anymare.

You're pretty confident.

They say, when a man gets this*, he changes. Do you know you're different naw?
You've gotten manlier.

T/N: THE PINKY FINGER IS A SYMBOL FOR A GIRLFRIEND.

That might be true.

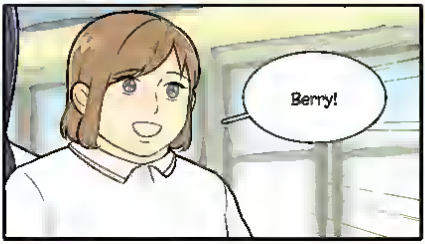

I can't show indecisiveness in front of Berry so I'm trying to work on it.

That aside, have you told Berry about that?

I will, soon.

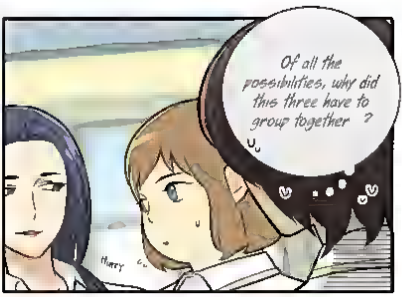

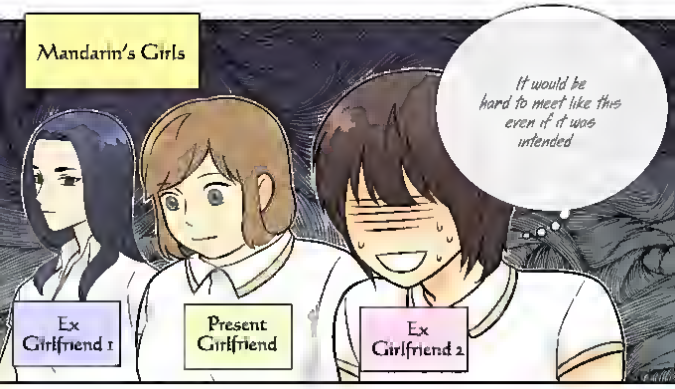

Berry!

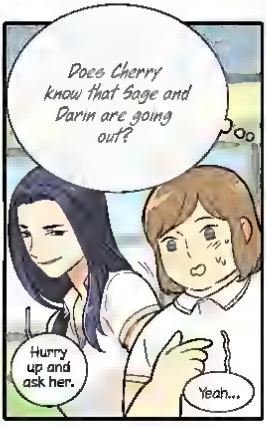

Sage!

AM I INVISIBLE IN YOUR EYES?
These kids are leaving me out.
Ah, hi...

Of all the possibilities, why did this three have to group together ?

Ex Girlfriend 2

Does Cherry know that Sage and Darin are going out?
Hurry up and ask her.
Yeah...

Berry, I have something to ask you...
Huh?

What? How to lose weight?

Why? Are you going to go on a diet?
You have to lose some weight. Even though you're cute as you are now.

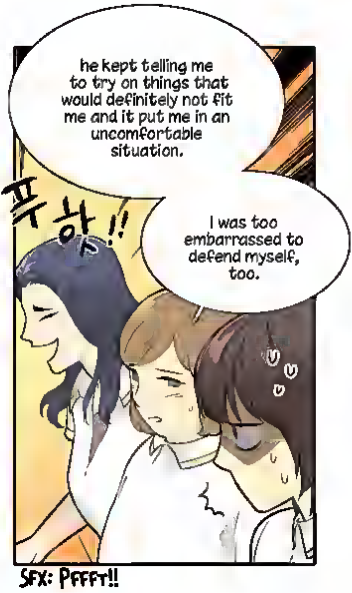

I don't know, I don't really have a special way, so I won't be that big of a help.
But why so suddenly...?
... .

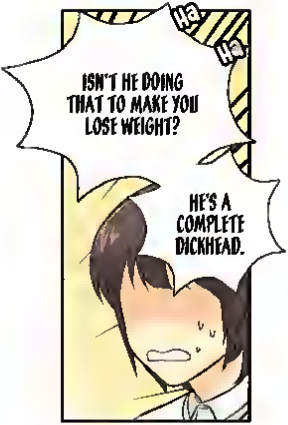

Is it because of your boyfriend?

Yeah...

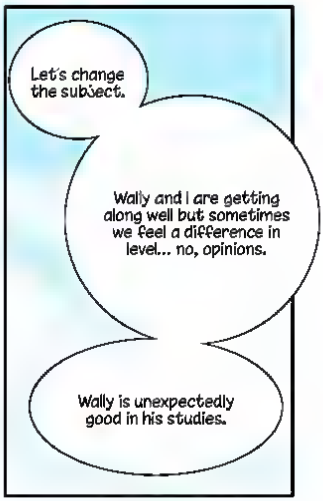

What, you have a boyfriend?
Did something happen?
The thing is...

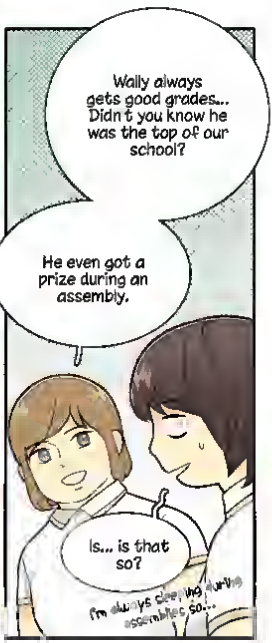

we went shopping together but...
This looks nice. A size 55 should fit you fine, right?
Hu-huh?

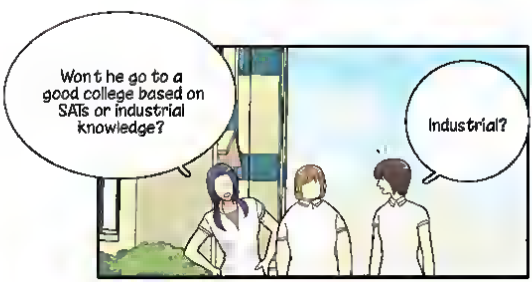

he kept telling me to try on things that would definitely not fit me and it put me in an uncomfortable situation.
I was too embarrassed to defend myself, too.
SFX: Pffft!!

HA
HA
ISN'T HE DOING THAT TO MAKE YOU LOSE WEIGHT?
HE'S A COMPLETE DICKHEAD.

Don't laugh!
HOW DO YOU EVEN MEET SOMEONE LIKE THAT? BREAK UP WITH HIM!!!
HA
HA
HA
HA
You dated him, too!
We all met at my place.

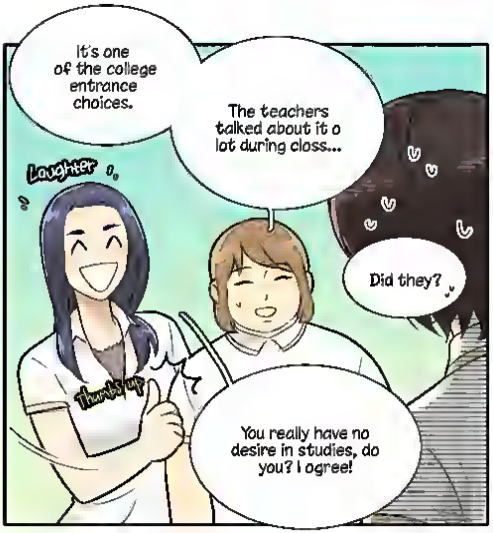

Let's change the subject.
Wally and I are getting along well but sometimes we feel a difference in level... no, opinions.
Wally is unexpectedly good in his studies.

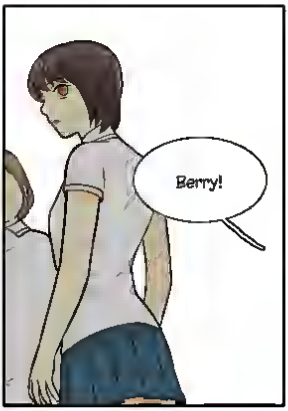

Wally always gets good grades... Didn't you know he was the top of our school?
He even got a prize during an assembly.
Is... is that so?
I'm always sleeping during assemblies so...

Won't he go to a good college based on SATs or industrial knowledge?
Industrial?

What is that?

Isn't it hard to go to college if you go toward business?

It's one of the college entrance choices.
The teachers talked about it a lot during class...
Laughter
Did they?
Thumbs up
You really have no desire in studies, do you? I agree!

Berry!

Oh, Wally.
Do you want to eat a packed lunch today?

A packed lunch?
It's like a picnic!
That should taste good. But...

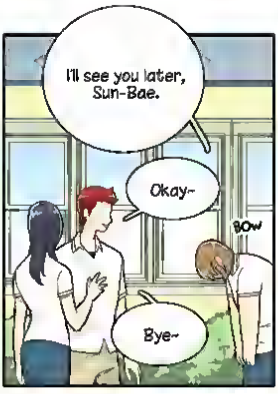

doesn't our school give lunches?
That true, but...
Berry, just eat it for him.

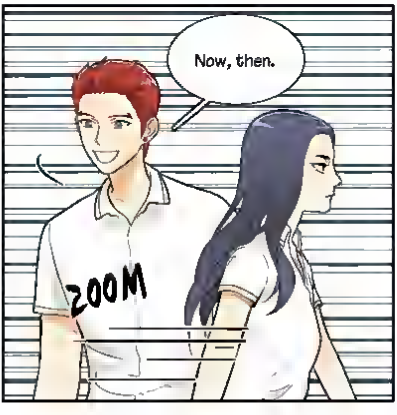

Don't you feel the love from the packed lunch your boyfriend got up early and made for you?
Hyung!

Then I should go eat~
See you later.

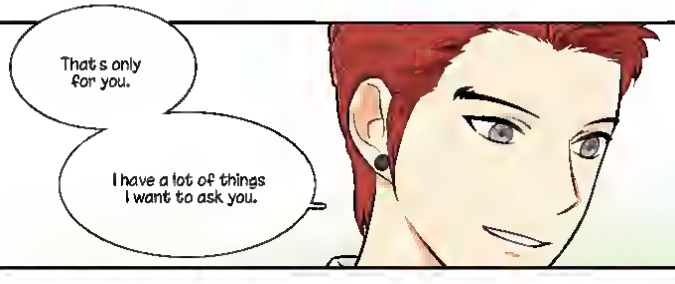

Bye~

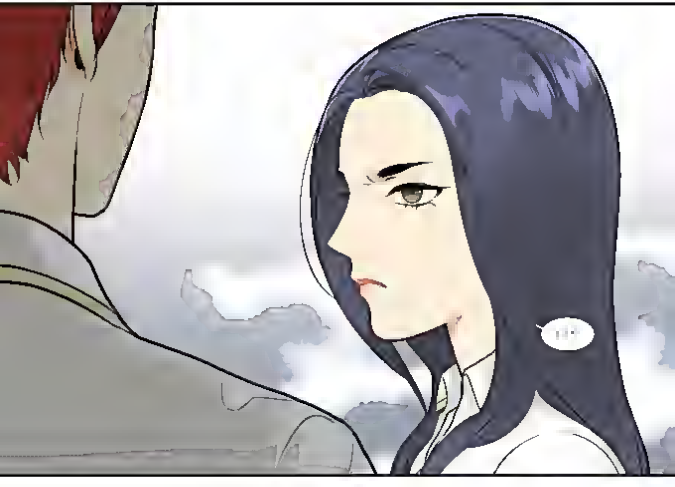

Now, should we have some time to ourselves?
Go away, Chili Paste Hair.
Ah, I'll also go now. My boyfriend is calling.

I'll see you later, Sun-Bae.
Okay~
BOW
Bye~

Now, then.
ZOOM

WAIT!
Don't ignore me!
Seriously.
What business do we have together? What is it, what?!

That's only for you.
I have a lot of things I want to ask you.

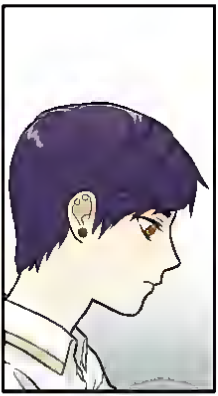

It's summer break soon.

I want to go around and have lots of fun once it's break.
Haha
You're doing that now, too.

Tch,
that's something different.
Drink
Do you have any separate plans?

Will you let me ride your motorbike? Let's go somewhere.

Kun-Chul Language Academy

I'm probably going to stay there and study during the break.

...Oh...
Ah...
Haha
Really...?

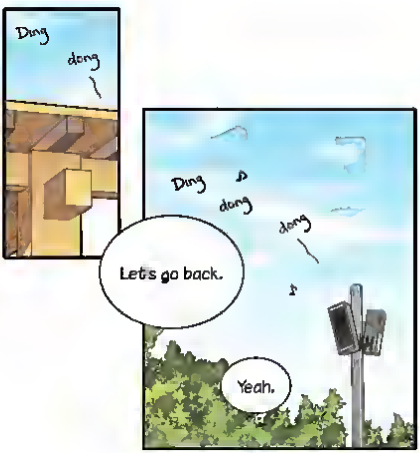

Wh-when are you going?
We should hang out before you go...
I leave on the day break starts and come back 2 days before school resumes.

There's not much time left...
Ahh
Sorry...

I'll come back quickly.

Sorry, I should have told you earlier.
No, it's fine.
You're going there to learn...
I hope your studies go well.

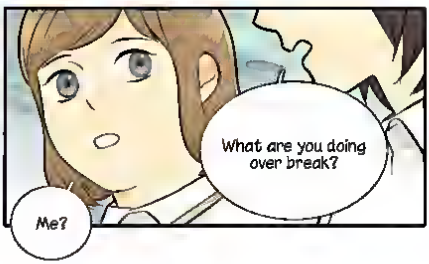

But if you end up cheating on me with a blond-haired beauty...
I definitely won't!

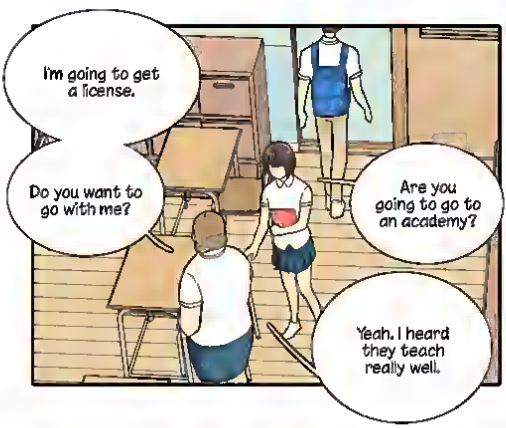

Ding

Let's go back.
Yeah.

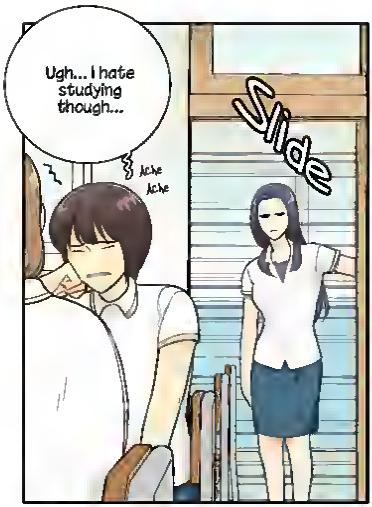

Was the lunch good?
Yeah, it was really good.
Where's Cherry?
Pierre Oppa said that he had to talk to her about something so do you want to wait in the classroom?

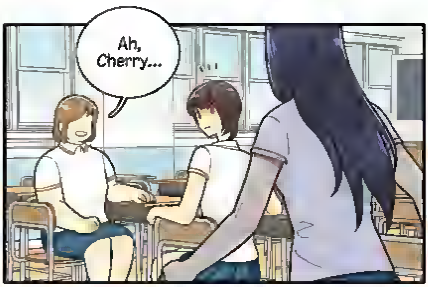

Hnnng...
What's wrong?

I feel like a burden, and I'm lonely...
Jean
Did something happen with Walnut?
He said he can't see me over break because he has to study.

What are you doing over break?
Me?

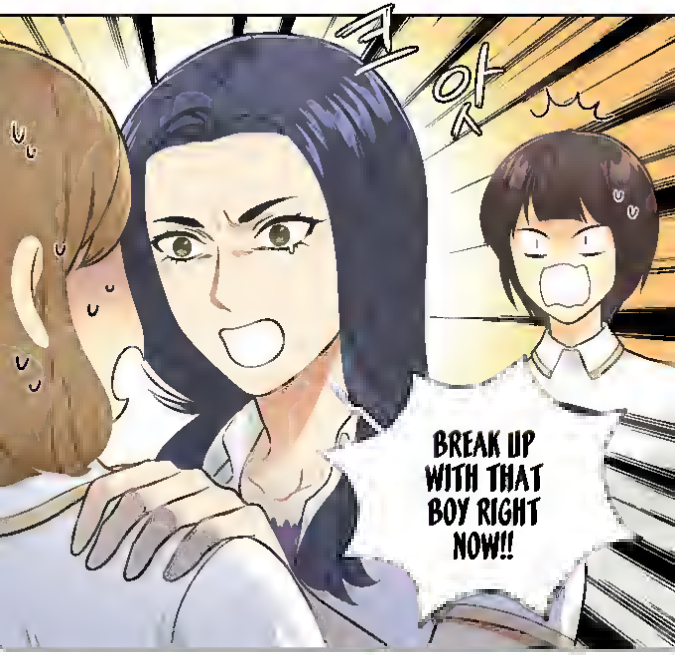

I'm going to get a license.
Do you want to go with me?
Are you going to go to an academy?
Yeah. I heard they teach really well.

Ugh... I hate studying though...
Ache Ache
Slide

Ah, Cherry...

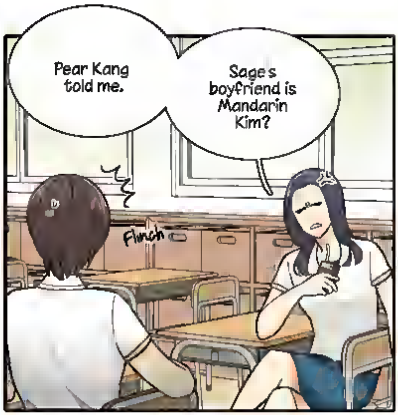

YOU POOR THING!

SFX: Hug

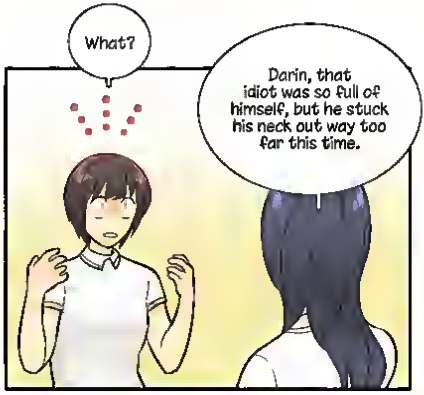

SFX: GROWL

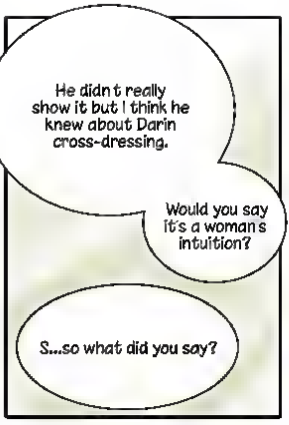

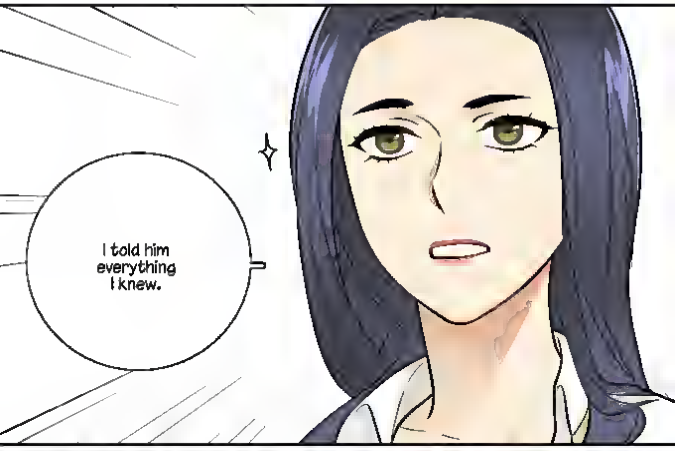

Pear Kang told me.
Sage's boyfriend is Mandarin Kim?
Flinch

What is Pierre Oppa thinking?
He actually told you that?
Aaaah...
And he asked me.

About Mandarin Kim.

What?
Darin, that idiot was so full of himself, but he stuck his neck out way too far this time.

He didn't really show it but I think he knew about Darin cross-dressing.
Would you say it's a woman's intuition?
S...so what did you say?

I told him everything I knew.

YOU TOLD HIM EVERYTHING?!
WHAT ARE YOU GONNA DO IF THE ENTIRE SCHOOL FINDS OUT ABOUT HIM CROSS-DRESSING?
He didn't ask me about the cross-dressing.

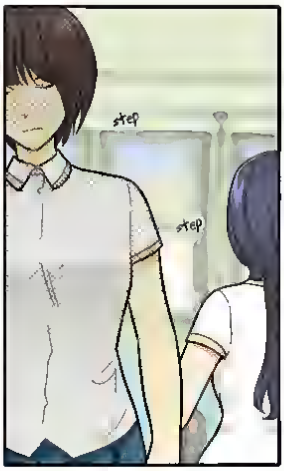

He asked me to tell him what kind of person Darin was.
I was only gonna tell him one or two things, but I ended up telling him about Darin's family situation.
I don't know how much you know, but
you know he doesn't have a good home life, right?

...?
Mandarin Kim doesn't get along with his mother. I guess you could say it's a case of abuse.
There's more to it, but my family's basically like his sponsor.

From what I heard the violence wasn't too bad, but...
She constantly abandoned him.

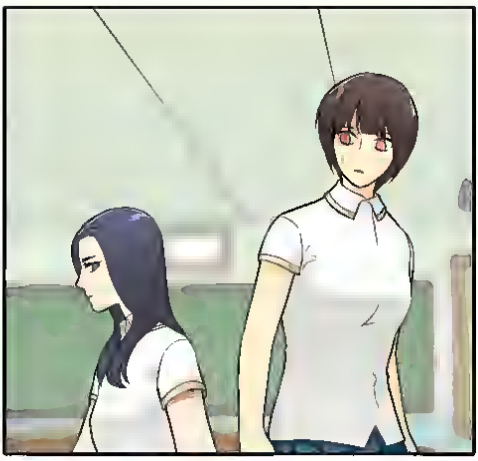

I've never heard this before.
Really? That's unexpected.

Anyway, the situation was...
Sorry, but this is getting uncomfortable.
Get's up
It's none of my business, and
I don't have anything to do with him anymore.
If he never told me, he probably didn't want me to know.
If that's the case, now that we broke up, I should definitely stay out of it.

step
step

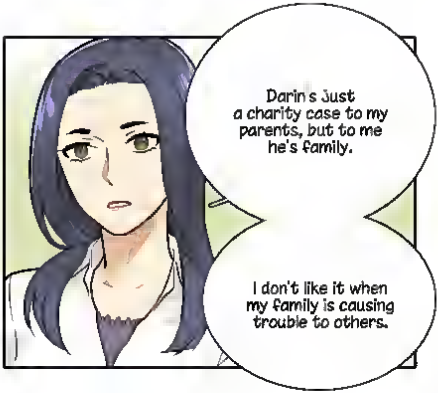

You really don't care?

So you don't care that Darin is dating Soge to replace you either?

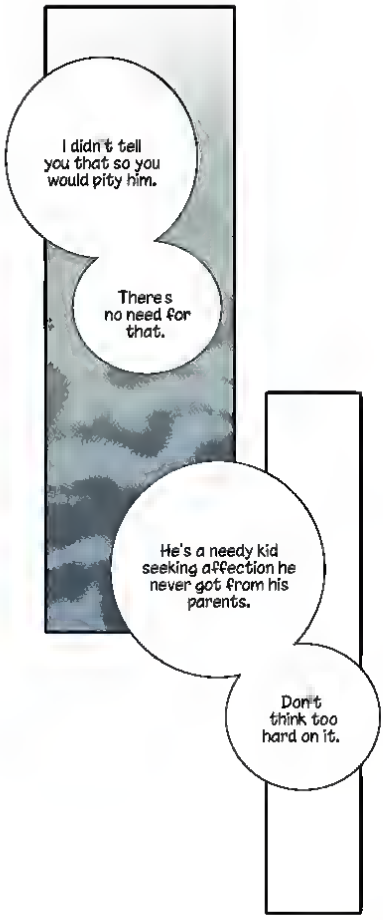

What is it that you want from me?
How is me knowing his situation and Sage getting hurt related at all?
Just sit

and hear me out, here.
Drop

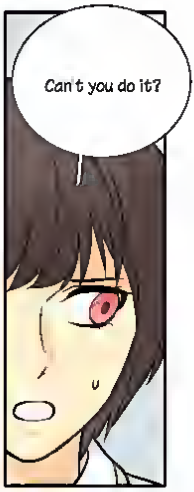

Darin's just a charity case to my parents, but to me he's family.
I don't like it when my family is causing trouble to others.

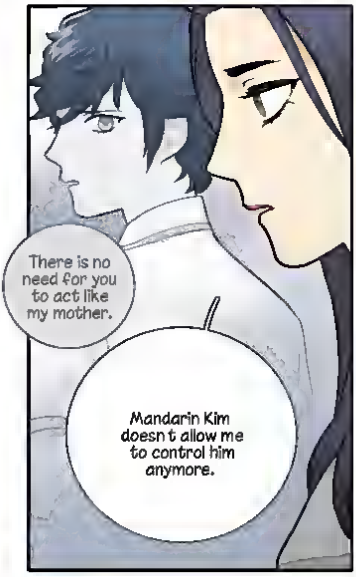

You like Sage too, right?
Nod

I didn't tell you that so you would pity him.
There's no need for that.
He's a needy kid seeking affection he never got from his parents.
Don't think too hard on it.

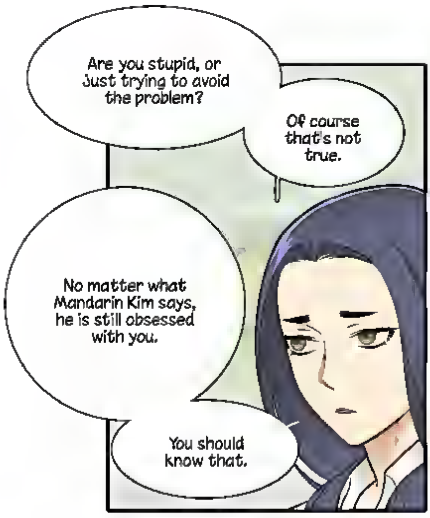

Isn't it a common story?

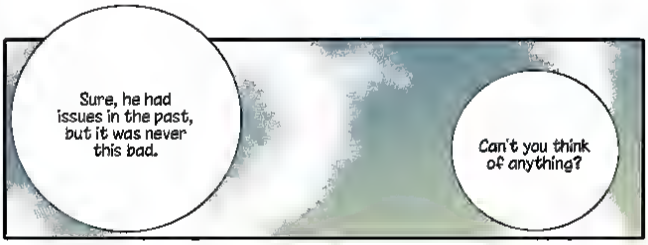

The reason I told Pear Kang was...
I just wanted someone to stop Darin.

Can't you do it?

There is no need for you to act like my mother.
Mandarin Kim doesn't allow me to control him anymore.

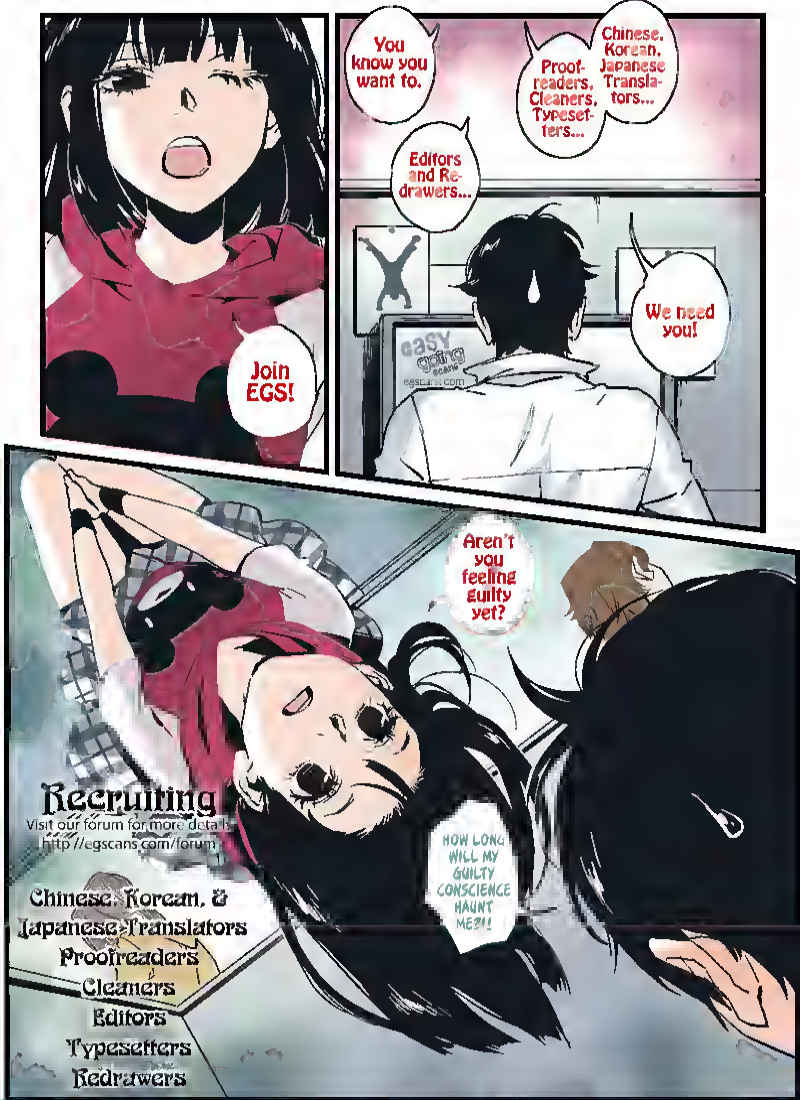

Turn
So what are you telling me to do?
I don't want my boyfriend to care about this anymore.
And who knows? Maybe Sage's the right girl for him.

Are you stupid, or just trying to avoid the problem?
Of course that's not true.
No matter what Mandarin Kim says, he is still obsessed with you.
You should know that.

I have something to do in the afternoon so the meal is canceled.

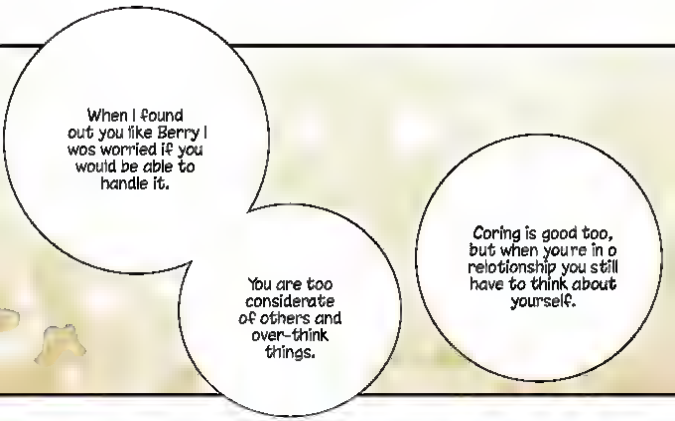

YOU DON'T NEED TO TELL US! IT'S PROBABLY SOME GIRL. YOU TERRIBLE PERSON! YOU DON'T HAVE ANY LOYALTY WHATSOEVER!
WE WON'T SEE WALLY FOR ALMOST TWO MONTHS!
Chance
Haha
It's fine. We still have some time left.
Besides that, stop trying to peek at my cards.

What about Berry? You just started dating, but now you won't get to see her...
Just take her with you.
Don't say something so stupid.
Yeah, take her with you. I think it'd be nice.

Not you too, Hyung...
Why? Do you not want to take Berry?
That's not it but...

Not it but what? What is it?

I hope you aren't thinking it would put too much pressure on Berry or something like that, right?

When I found out you like Berry I was worried if you would be able to handle it.
You are too considerate of others and over-think things.
Caring is good too, but when you're in a relationship you still have to think about yourself.

If your girlfriend has a hard time would you break up for her sake?
That's definitely not okay.

Yeah, exactly. You have to take chances.
You were a boxer; you just have to think of it the same way.

In the end, only people who hang on till the end of a relationship are the winners.

Quiet...
Caw

...You're not saying much today. Are you mad at me for something?

Rummage
I don't know what the problem is, but loosen up.
I thought of you when I saw it, how do you like it? Hair tie!
I heard a weird rumor.

Hm?
